

Global Summit on Childhood
Pentagon City, Virginia
March 29-30, 2012

The International Child Art Foundation held an exhibition and made a presentation at the Global Summit, the first of its kind organized by the Association of Childhood Education International (ACEI). The exhibition was held on March 29 and 30, 2012 while the presentation on "Can Making Art Foster Creativity and Develop Empathy in Children?" took place on March 29, 2012.
